QUAKER RECORDS: ROCHESTER MONTHLY MEETING

Monroe County, New York

The following record is a transcription of notational abstracts made of monthly meeting records by John Cox, Jr. These cards were left with the Haviland Record Room of New York Yearly Meeting who has allowed them to be copied. Some of the script was nearly indecipherable and was copied as it appeared.

Rochester Monthly Meeting

The Societies of Friends (AKA Quakers) meetings started in Rochester, New York in 1817. About 1827-28 the organization split into two factions; Hicksite and Orthodox. Both orgamizations had separate meetings up until the twentieth century.

These records were extracted from the original records of both organizations. Some records are marked **(H)** for the Hicksite meeting and **(O)** for the Orthodox meeting. Both of the records from the organizations are at the archives at the Friends Historical Library of Swarthmore College, Swarthmore, PA.
